Community of St. Dysmas

We are still collecting anonymous letters written to members of the St. Dysmas community. A package of letters is sent at the end of each month. We are having a good response so please take time to write a letter. Pastor Susan, who runs the program emailed "I hear from the community that letters like this are what's keeping them going as this lockdown continues on so long. Bless you for being a blessing to them". This is an easy way to encourage fellow Lutherans during this challenging time of COVID. For additional information, please contact the Church office or Kristen Page pagealt@yahoo.com 301-524-5140.

FREE LIFE COACHING OPPORTUNITIES

As a way of giving back to God and our Church family at St. Luke's, Gerard Elligson will be offering sessions by appointment on two Thursdays a month (the 1st and 3rd Thursdays) from 9am to 12pm by zoom, phone call, or in person. He is offering other sessions by appointment only if those times do not work. These sessions will be gratis.

<https://influentialmotivator.com/about>

A Life Coach is an accountability partner, helping develop and set goals, recognizing barriers, and helping to overcome self-sabotage, helping individuals look to the future. Mr. Elligson, because of his Christian faith, is willing (if requested) to pray during those life coaching sessions.

If you are interested in scheduling an appointment by zoom, phone, or in person with masks and social distance at the church -- Gerard Elligson can be contacted at influentialmotivator@gmail.com. Please include in your email that you are from St. Luke's.
