Pastor's Bible Study

A Recording of each weekly Bible Study will be available on the Website. See Bible Study tab under Worship.

Pastor Bob's Bible Study has a Lot of Character!

Two sessions down as we continue to celebrate the lives and ministries of people who knew Jesus Christ. We have already received insight into Matthew and Mark's lives and their individual spiritual journey.

I myself have been inspired with their journey. Pastor Bob's specialization in this area is very clear and is an opportunity not to miss.

There is multiple ways to attend these studies. Sessions are offered in person on Sunday at 9:45am and Thursday at 11:00am. Zoom is also provided for those times along with a Wednesday evening's session at 7:00pm. If you missed those time slots you can view a recording of each week's session posted on our St. Luke's

Website.

The first week in October we will review the man our church is named after, LUKE!

If you have not done the assessment tool Talent & Strength Finder, provided by Gallup. You need to do it. People I know that have completed the assessment tool speak positively about their experience.

It did not take me long to do like I was afraid of. This assessment tool would normally cost money to do but is free for us right now. I was just surprised in the results, it was insightful.

Plus, Pastor Bob will make himself available to anyone of us who would like

to explore their spiritual gifts more.

Remembering that Pastor Bob is our interim pastor, here for a short time. He has this spiritual gift he is sharing with us. I do not know about anyone else but I am looking for ways to get through these challenging times in our country and I think I found it!

Council Update

There are 4 positions needing filled in council for next year. The Annual Congregational Meeting is planned for Sunday, November 14th

As a congregation we will need additional volunteers as we prepare to find and hire a full time pastor.

MSP Committee:

The Ministry Site Profile is designed to be a summary of the characteristics and ministry our church, and to serve as the first impression that we wish to give to prospective candidates. This is not the Call Committee, this profile will assist the Call Committee, after the 2022 Council selects those who

will serve.

The MSP Committee takes volunteers with computer skills necessary to enter data in ELCA website and those with analytical thinking and communication gifts to reflect truthfully this congregations characteristics and preferences.

Contact Kristin Page or the Church Office if interested.

R&R Looking for broken crayon donations

R&R are looking for broken crayons for a project they plan to do. The paper covering does not need to be present. It is better if they were already removed.

A donation box is available in the Church Narthex.

With Heart Felt Thanks:

Myself and my family would like to thank everyone for their prayers, cards and words of sympathy with the loss of my husband Bob. It was a comfort and a true blessing knowing so many people cared.

Janet Long

Thank you to the R&R group for making soup this passed week. The soup has been frozen and Pastor Bob will be sharing with our homebound members this winter when he visits.
